

GROUP COVENANT

The purpose of the group covenant is to ensure that members of the group have shared expectations and values for their small group community. Watermark Community Church's desire is that each member of the group would be of one heart and mind as they enter the group, and that each individual shares ownership and responsibility of the vision and purposes of the group. A covenant helps avoid unmet expectations and confusion among members.

We agree our group is committed to:

Care

- **Investing & Cultivating Deep Relationships** (2 Corinthians 13:11; Proverbs 17:17; Proverbs 27:2)
- **Knowing Each Other** in a real and authentic way (James 5:16; Galatians 6:2)
- **Practicing the "One Anothers"** (John 13:34; Romans 15:7; Ephesians 4:2, 5:21; Phi 2:1-4)

Grow

- **Challenging Other's** to take next faith steps (Hebrews 11:6)
- **Calling Other's** to obedience to God's word (John 14:21)
- **Encouraging** intimacy with Christ (John 15:4)

Impact

- **Praying for those far from God and Sharing one's faith** (Matthew 28:18-20)
- **Stewarding the Resources** that God has entrusted (Proverbs 12:15; Acts 2:45)
- **Serving Internally and Externally** (Exodus 17:12-13; Galatians 5:13)
